WOOD

FINISHES THAT INSPIRE

In a realm where wood meets artistry,
Our Wood Finishes unfold gracefully.

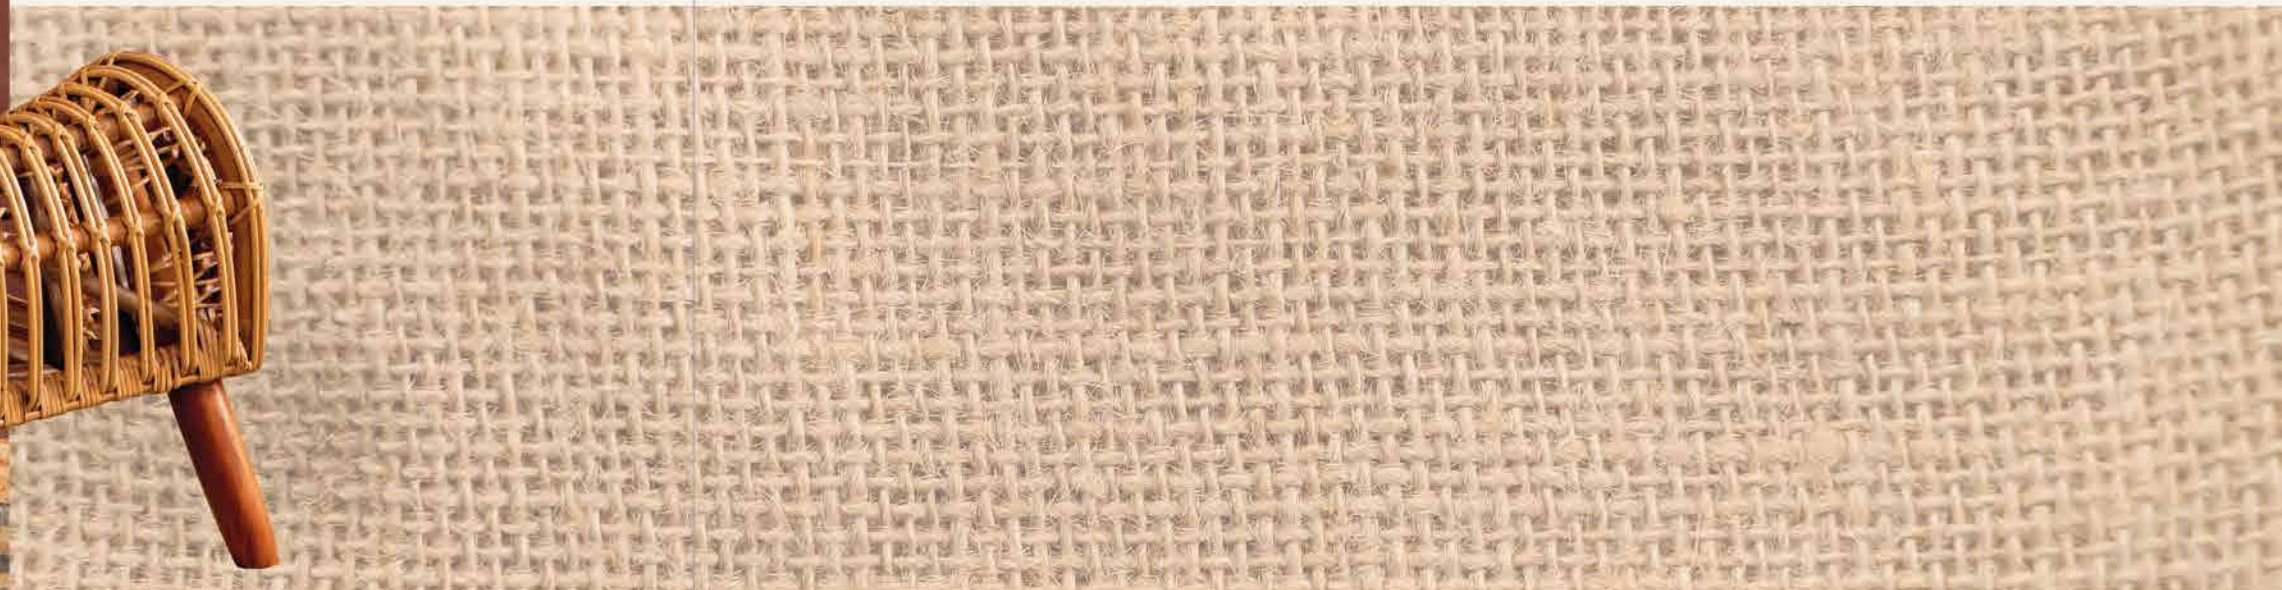

A tapestry of colours, a poetic display,
Where hues breathe life into the wooden array.
Nature's whispers, contemporary allure,
Elegance and charm, they do ensure.
A canvas of dreams, a palette refined,
Your unique style, these shades will bind.

Let imagination soar, and boundaries fade,
In the enchanting embrace, a masterpiece is made.
Unveil the magic that colours bestow,
Welcome to a world where dreams glow.

Edge of the forest

Mesmerizing ode to the artistry of wood finishes, inviting you to wander through a palette inspired by nature's finest hues. Like a whispered secret from the woods, these colors beckon you to transform your living spaces into captivating havens, where the essence of the forest's edge comes to life with every brushstroke.

IT WAS **the**
season...
of change

Experience a life in harmony with nature as you step into our carefully curated nature-inspired homes and embrace a lifestyle that echoes the rhythms of the natural world. Each space is thoughtfully adorned with earthy tones, inviting textures, and elements that seamlessly bridge the gap between indoors and outdoors, allowing you to coexist in perfect harmony with the environment. Harness the power of dreams to inspire your decor. Transform your spaces into tangible manifestations of your dreams and aspirations.

“Harmony resides in nature's beauty, a gift to make our homes calm havens.”

SOBER **Gaze**
Nature Infused

“A time of change and transformation, where nature painted its masterpiece anew.”

Wildwood

WHISPERS

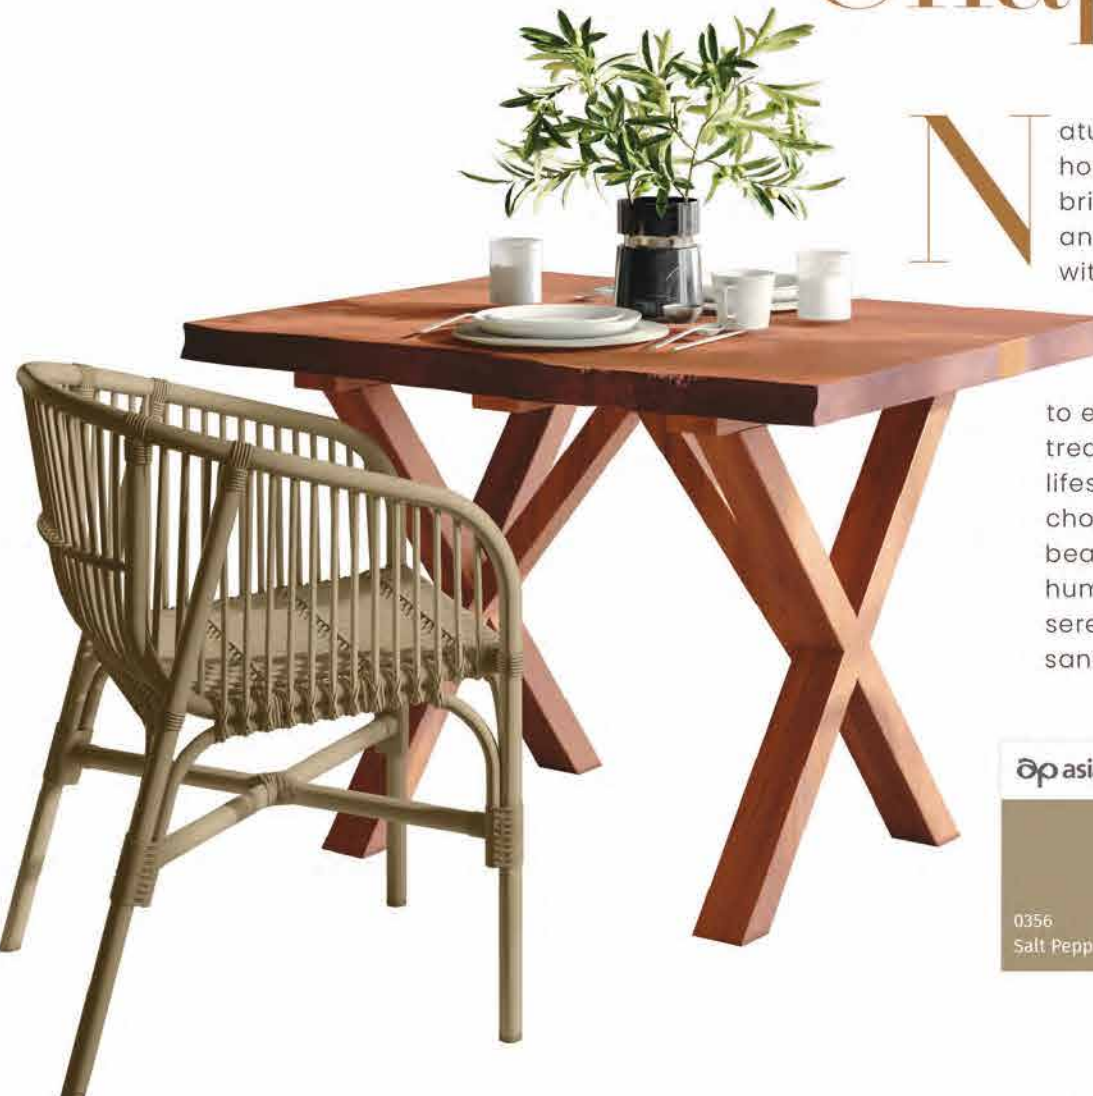

Let wood finishes whisper stories of nature's beauty, painting your spaces with timeless elegance.

"Nature's rhythms become our guiding melody, as our homes echo its serene vitality."

THE Chapters OF TIMBER

Nature-inspired cohesive homes and sensual lifestyles bring a sense of tranquility and pure vitality that resonate with the rhythm of the natural world. From sunlit corners that mirror breezy open meadows to eco-conscious designs that tread lightly on the planet, this lifestyle embraces sustainable choices and finds solace in the beauty of the wilderness. In the humble nature's embrace, serene homes become sanctuaries.

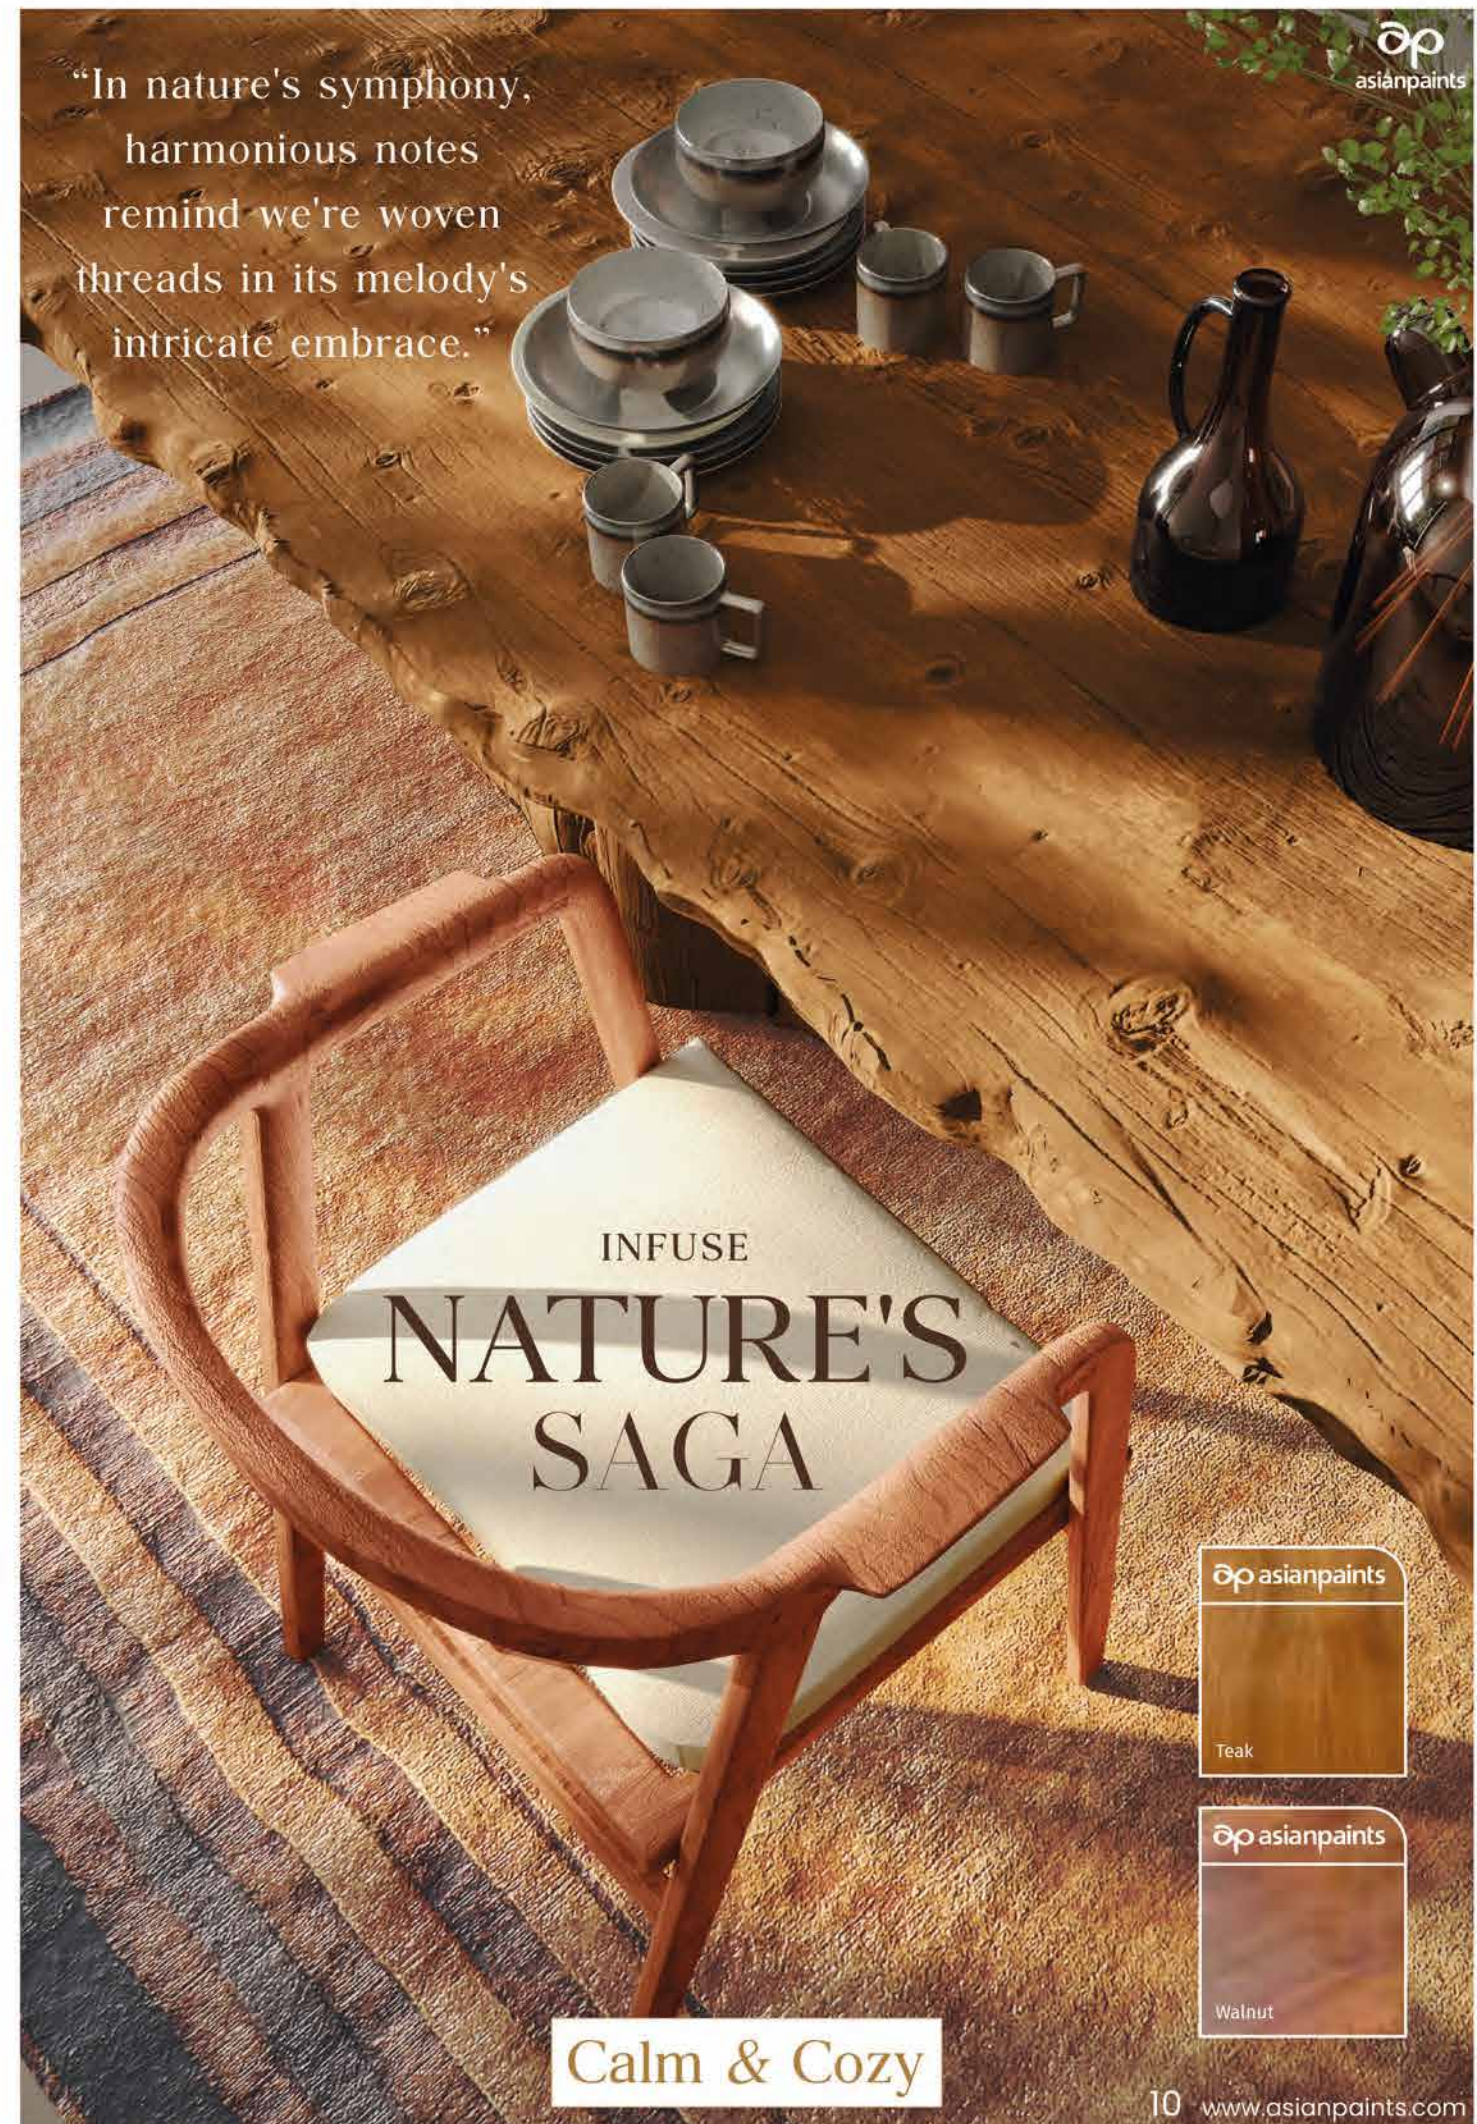

Little Moments

PRODUCT STORY

WOODTECH POLYESTER GOLD

Boasting a mirror-like finish and glass-like clarity, this product sits at the peak of all wood finish coatings. Offering the clearest finish with greatest gloss levels, it possesses high image clarity. This finish has superior film thickness that provides unmatched beauty and long lasting durability. This product is also available in white.

WOODTECH EMPORIO PU

This luxury wood finish coating brought to you from Italy offers excellent film clarity to enhance the beauty of the grains of wood. Highly resistant to abrasion, it offers long lasting durability and is also suitable for exterior application. This product comes in white & black shades for use on engineered wood in variants like dead matt, matt, semi gloss and high gloss.

WOODTECH WOOD STAIN

An elegant range of translucent dyes for natural wood and veneers. Our wood stains amplify the beauty of grains and provide an even tone. They are available in these attractive shades of walnut, teak, rosewood, red brown, charcoal, oak yellow, red and green.

PRODUCT STORY

WOODTECH AQUADUR PU

This revolutionary water-based PU is health-safe and eco-friendly. Its low volatile organic compounds make it environment safe and the low odour allows work while residents are in the house. Its water-based coating is non-yellowing for an extended duration of time. Rest assured about little ones as this child-safe product complies to EN 71.3 norms. This product is also available in white.

WOODTECH EMPORIO PU PALETTE

This super luxury color wood finish coating brought to you from Italy offers excellent benefits like excellent anti scratch protection, long lasting durability and smooth rich finish. It comes in 1600+ tintable shades and exclusive Sabyasachi shades and is present in high gloss and rich matt variants.

WOODTECH AQUADUR PU

This revolutionary water-based PU is health-safe and eco-friendly. Its low volatile organic compounds make it environment safe and the low odour allows work while residents are in the house. Its water-based coating is non-yellowing for an extended duration of time. Rest assured about little ones as this child-safe product complies to EN 71.3 norms. This product is also available in white.
