HERITAGE OF INDIAN WHITES AND IVORIES

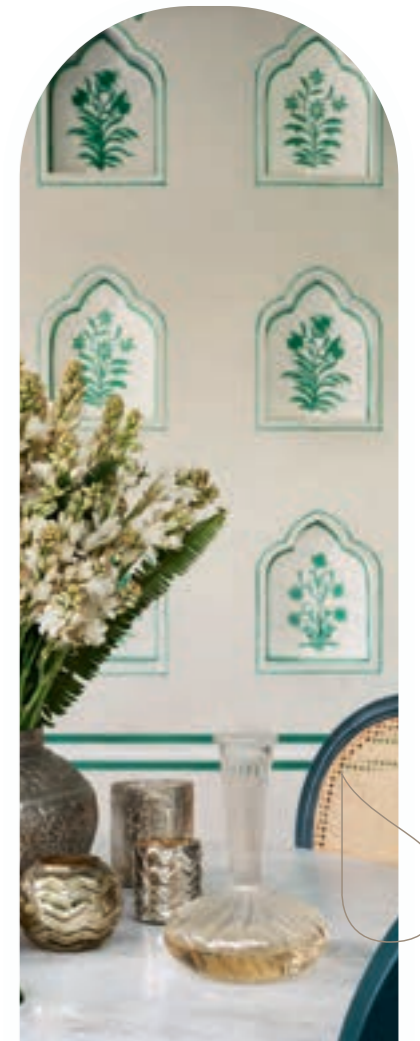

In India, white isn't just a colour.  
It's many colours in one.  
It's history and culture  
blended seamlessly.  
Each hue a chapter of  
a different era.  
Of Sights. Smells.  
Sweets. Savouries.  
Tangible in its uniqueness.

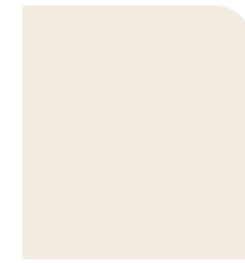

The white in the sweetness  
of Pista Barfi.  
To the fragrant white of  
Madurai Jasmine.  
The ancient white of  
the Dak Bangla.  
To the airy white of the  
Indian Grey Hornbill.  
The list of these exclusive whites,  
poetic and inspiring in  
their own right, is endless.  
As are its many colours.  
All collated in a special collection.  
Presenting the Royale Designer Palette.
